Ember is an online platform that provides you with the opportunity to enjoy entertaining games. To promote the sale Ember Tokens on the Platform, we give away Sweepstakes entries known as Satoshis, as set out in these Sweepstakes Rules. Satoshis can be used to participate in the Games, offering you the opportunity to win more Satoshis, which can then be redeemed for real prizes, including cash. Please note that Prize redemption is subject to a minimum redemption amount of Unlocked Satoshis. Unlocked Satoshis below the minimum redemption amount are not eligible for withdrawal. Ember Fund will disclose this minimum redemption amount on your Account/Wallet page. Ember Fund reserves the right, in its sole discretion, to change this minimum redemption amount from time to time. Please check your Account/Wallet page for the current minimum redemption amount.

PARTICIPATION IN THE SWEEPSTAKES DOES NOT REQUIRE ANY REAL MONEY PAYMENT OF ANY KIND. FOR THE AVOIDANCE OF DOUBT, YOU ALSO DO NOT HAVE TO MAKE ANY PURCHASES ON THE PLATFORM TO USE AND ACCESS THE PLATFORM, OR TO PLAY THE GAMES. THE SWEEPSTAKES ARE VOID WHERE PROHIBITED BY LAW.

Subject to your acceptance of, and agreement to be bound by these Sweepstakes Rules, it forms part of the Customer Agreement between you and us with respect to your access and use of the Platform, Games and Content.

Please note that prizes won via the Sweepstakes can be redeemed as cash by clicking the "REDEEM" button on the Platform. If you select to redeem your Prize as cash, the cash will be paid to your Payment Method used to purchase Ember Tokens on the Platform.
